Come cheer on Hazelton Minor Hockey

Community Events

Hazelton Minor Hockey Association is off to a great start this 2023-24 season.

We started off with gearing up over 25 brand new players at our Try Hockey event in early September. We have a record 162 youth registered this year between the ages of 4-18. (46% are female, and 54% males).

We are on the ice 5 nights a week which includes 6 division practices, NWD female/HMHA female practice, and alternating Friday night goalie and skills sessions.

Come out and cheer our local players on at our upcoming home tournaments.
